BASE BALL.

Three more days and the Inter-state's 1900 championship fight will have opened, with New Castle at Wheeling, Dayton at Fort Wayne, Columbus at Youngstown, and Mansfield at Toledo. From all the cities in the circuit the news comes that the interest is red-hot, and certainly the indications were never so bright for a highly successful season of this crack minor league. The entrance of Columbus under home management in the place of Grand Rapids and Springfield under the mercenary and unsportsmanlike regime of Torreyson has been a ten-strike, and if Riley has given Ohlo's Capital City a winning team everything will be lovely. However, the concensus of opinion seems to be that the Columbus team is not as atrong as four or five others in this league, and if this is demonstrated the Columbus man will be given a chance to strengthen his team. Several clubs, including Wheeling, have players significating Wheeling, have players significantly in the case of Wheeling the discards certainly are more promising material than the semi-professionals of which Riley's team is largely made up. The league magnates realize the importance of giving the new momber a strong team, and ally hands will assist in the good work if the present team is found wanting. team everything will be lovely. So Fleischmann has not replied. The was that Bates let down a semi-prosional Cincinnati team without a or a run hast Sunday, has strengthed the desire of the Wheeling mannount to have Bates on the local bing staff. BENWOOD'S COUNCIL MEETS.

Garbage Contract Awarded-Twentyfive Saloon Licenses.

The recently elected Benwood council held its first meeting last night for the transaction of general business, every one of the eight members being present, and several items of importance to the citizens of the industrial town were disposed of. The contract for the collecting of the town's garbage was awarded to George R. Davis, of the Third ward, at his bid of \$35 per month. There were five bids, one from Samue. Welch being \$56 a month, and John Curran's was the same as Davis', \$35, but Davis won out on a straight party vote, he gotting the five Republicans and Curran getting the three Democratic members.

Twenty-five saloonists were granted municipal license, which is about the same number as last year.

A resolution was adopted, providing for the appropriation of \$2,500 from the taxes of 1900 and a similar amount from the taxes hext year, for the paying of McMechen street, from Fourth to Eighth streets, and favorable action was taken with reference to constructing a sewer from Forty-eighth street to the Gilleland glue factory. the citizens of the industrial town were

The Daily Chronicle of Wheeling's Progressive Neighbor.

The city was visited yesterday by a short change artist who successfully succeeded in swindling Tie Huskins, the Fourth street confectioner. It was the old time racket, asking for a five cent purchase, banding the proprietor a two deliar bill and afterwards discovering that he had the correct change, asked for the bill back and neglects to return the change and makes a hasty retreat before the salesman realises what has happened. Other merchants reported the same attempts to swindle them by the same method in the past two days.
